## EARLY BIRD MEET AND GREET

21:00 | Shipwreck Lounge, 10 Carver Street

If you're a P-town early bird, join us at the **Shipwreck Lounge** and get the party started early! Located at the Brass Key Guesthouse, Provincetown's Shipwreck Lounge is a sophisticated bar with an outdoor patio featuring a beautiful fountain and stunning gas fire pit. **No cover; optional event open to NGPA members and their guests.**

## CALLING ALL CO-PILOTS! CLASSIC CAR OBSTACLE COURSE

09:00 | Herring Cove Beach Parking Lot (just off of MA Route 6A)

For the first time, the NGPA is partnering with the **Yankee Chapter** of the **Lambda Car Club International** for their annual fall gathering in Provincetown. To support their theme of "First Ladies and Their Presidents," the LCC is soliciting NGPA co-pilots to help navigate a classic car driving exposition at the Herring Cove Beach parking lot. NGPA members will act as expert co-pilots to LCC drivers, who will navigate a pre-selected obstacle course while blindfolded. Specific details and driving instructions will be provided the morning of the event so everyone has a fair chance (no pre-studying allowed!), and NGPA members are encouraged to dress as their favorite—or most despised—President or First Lady to support LCC members who will be dressed accordingly! If you need a ride to Herring Cove Beach, meet at the parking lot of the Provincetown Inn, 1 Commercial St., no later than 8:30 a.m. **Optional event open to NGPA members and their guests.**

## OFFICIAL KICKOFF NIGHT 18:00-20:00 | C&A, 247 Commercial Street

Catch up with your besties, meet the newbies, and kick off the weekend with our traditional welcome cocktail party and reception! The Crown & Anchor Wave Bar and adjoining pool area will host an exclusive two-hour party for the NGPA; cocktails and hors d'oeuvres will be served. **Included with registration; additional guests \$35 at the door.**

## Saturday is NGPA Day!

### HANGAR BRUNCH, GENERAL MEMBERSHIP MEETING, AND FEATURED KEYNOTE PRESENTATION SPONSORED BY GOJET AIRLINES

10:30 | Provincetown Municipal Airport, Cape Air Hangar

*Mr. Morton's presentation is sponsored by GoJet Airlines, a NGPA Silver Sponsor.*

Join us at the Provincetown Municipal Airport for brunch with a view! A combination breakfast and lunch buffet will be served beginning at 10:30 a.m., and then the general membership meeting will begin at 11:30 a.m. We'll have the traditional pass-the-mic introductions and then welcome guest presenter Lue Morton, who is sponsored by **GoJet Airlines**.

**Lue Morton** is an international ferry pilot who has transported more than 14 planes across the Pacific Ocean and more than six across the Atlantic Ocean. On a trip to Australia, Lue encountered disaster halfway over the Pacific Ocean. Recognizing the fuel system of his Cirrus had failed to transfer fuel, he knew he had no more options and declared an emergency, eventually ditching the plane in the open ocean with 30-foot waves and winds over 35 miles per hour.

Lue Morton

Mr. Morton currently works as a corporate pilot and flight instructor at Boeing Field, and continues to promote aviation within the LGBT community. His keynote will combine a vast knowledge of aviation and travel, coming out, and how it has all helped to collectively shape his past and future.

**Included with weekend registration (registered guests only).**

*Travel to Provincetown for Mr. Morton has been sponsored in part by Alaska Airlines, a NGPA Platinum Sponsor, and Cape Air/Nantucket Airlines.*

### STATIC DISPLAY & QUEEN OF THE FLEET CONTEST SPONSORED BY WINGS FINANCIAL CREDIT UNION

After Brunch | Provincetown Municipal Airport Ramp

*The Queen of the Fleet Contest is sponsored by Wings Financial, a NGPA Gold Sponsor.*

Stroll down the ramp and admire NGPA members who have flown their aircraft in for our event. Then, cast your vote for the annual Queen of the Fleet sponsored by **Wings Financial Credit Union**, the official credit union of the NGPA.

### NGPA/LCC PILOT PARADE 14:00-14:30 | Pickup just outside of the PVC passenger terminal

The **Yankee Chapter** of the **Lambda Car Club International** will be our exclusive transportation from the airport vis-à-vis their collection of meticulously restored classic cars. Once back in Provincetown, they will parade us down Commercial Street for an impromptu rudders-meets-steering-wheels parade!

# Saturday Afternoon & Evening

**FLIGHT DECK RECEPTION** 16:00-17:00 | Harbor Lounge, 359 Commercial Street

The NGPA Annual Fund provides vital support for NGPA, and we rely upon this generous support to fuel our growth as an organization. Members who contribute at least \$300 annually are cordially invited to the Flight Deck Crewmember Reception as a special thank-you for your generosity. Complimentary premium cocktails and hors d'oeuvres will be provided. **Entry via special invitation or your donation of at least \$300 at the door.**

## THE NGPA CAPE COD DINNER BANQUET & CHRISTINE O'LEARY SHOW

17:30-22:30 | Provincetown Town Hall, 260 Commercial Street

This is the flagship event of the Cape Cod Classic! Take a power nap and then head over to Provincetown Town Hall for the NGPA Cape Cod Dinner Banquet. Beer and wine will be available for purchase, sponsored in part by **Harpoon Brewery's Harpoon Helps Program**. The dinner banquet is also your opportunity to support the **NGPA Education Fund** silent auction, which helps underwrite scholarships awarded to aspiring aviators pursuing careers as professional pilots and those who have demonstrated community involvement, including support of the LGBT community. After dinner we'll introduce recipients of the 2016 NGPA Education Fund scholarships before concluding with the NGPA Education Fund live auction.

After dinner, grab dessert and refill your drink as the NGPA welcomes the outrageously funny (and New England native!) **Christine O'Leary** for an exclusive one-hour performance. Clean, couture, comedy multi-tasker, and funny to the bone, Christine O'Leary intuitively and constantly is interviewing and assessing her audience. Her off-the-cuff interactions and improv are her forte, and storytelling is her crafted skill. She does local humor, character work, and dialects, and will send you off unexpectedly. There is not an audience that she cannot penetrate! **Included with weekend registration (registered guests only).**
